Chairman's Message.

Welcome to another Bowls Season and the first edition of Up and Back for 2012/13.

I am pleased that at, or subsequent to, the AGMs in May so many members have volunteered to fill most of the Club appointments. (See full details at p.4).

As announced at the Club AGM, Terry Silberer has been appointed Club Coach - a first for our Club - and details relating to this initiative and Terry are at p.1.

The results of the 2011/12 Club Championships (which were appended to the Annual Report) are now reprinted at p.3 for your information. Our congratulations are extended to all who participated in these events.

Preparations are well in hand to field four Saturday Pennant Teams and two Tuesday Open Pennant Teams.

The production of the Handbook for 2012/13 will be the next major task for the Club Manager, Barry, and the members who will be asked to assist him

Good bowling,

Graeme Standish

Appointment of Coach

Hampton Bowls Club is happy to announce the appointment of Terry Silberer as Club Coach. Terry comes to Hampton after a successful stint at Caulfield Park, where he guided the Mid week Open pennant side to a win in the Metro finals .

Terry is available for coaching sessions to all members of the club. Please see the Club notice boards for times when Terry is available.

Bowls Report from the Ladies Section for the 2011-12 Season

Although it is the ladies section that enters teams in the Open section of Tuesday Pennant Competitions, it can now be reported that as far as Hampton is concerned, this is becoming more and more a joint entry of both ladies and men, which is very satisfying.

Two teams were entered; one in Division 1 and one in Division 3 and both ended in play-off positions at the end of the season. Credit for this must go to the regular players, selection committee and those members who willingly filled in, often at short notice, when required.

A women's team was also entered in the ladies section of Saturday pennant and again had the success of reaching a play-off position.

Competition in club championships was keen, resulting in many close and "nail-biting" games. Marcia Finley became ladies champion, the 100 up competition was won by Margaret Radford and the ladies pairs by Leanne Connolly and Ellen Coulson.

Leanne and Ellen brought the season to a close by qualifying for the State Finals held at Bendigo. They say that this was a very enjoyable and challenging experience from which they have learnt much and one which they would thoroughly recommend all bowlers to aspire to.

Overall it has been a satisfying season which also included the Easter mixed triples competition, the virgin Australia Day competition, Lady President's Day and Guests and Delegates Day. All have been well supported by bowlers, helpers, the Board and members of staff.

Now we look forward to the 2012-13 season. Lists are to be found on notice boards, both in the club room and ladies room. So if you, both men and ladies, would like to play Tuesday Pennant please place your name on one of the lists.
